Dear Crafters:

Main Street, Burns, WY

We are getting started early on the Christmas craft show, we have already had inquiries and people wanting to reserve spaces. Last year we used only 1 gym, we had a good turn out and wonderful comments. We will be doing the same this year. Remember only one person per company, reserve early to ensure your space, first paid gets the spot, no exceptions!

Some information you will need.

****SET UP BEGINS AT 7:30 AM NO EARLY BIRDS****

We have also partnered with Blessed Hope on advertising, they will include our info in their mass mailing, we will include them in our advertising. Feel free to promote the show to your friends, customers, etc.

8. We are unable to reserve spaces over the phone. You need to get your application and payment in to reserve your spot.
9. Internet is spotty at best. For those that use the square, it may be hit and miss.

11. Stay within your space! The corners of each booth are marked, you should have no problem determining your square. We all paid for our space, we are all entitled to our full limits.

Thanks for joining us! We look forward to a seeing you there.
